Our Regional Banquet program will include the recognition of the annual recipient of the
Elmer D. Kaelin Scholarship Award

Elmer D. Kaelin, Pi 406, former leader and active member of the Theta Xi Educational Foundation of Pittsburgh, has been instrumental in the success of the work of the Foundation and multiple chapters within the Allegheny Region. Known to countless Theta Xi Brothers for his tireless efforts to establish chapters in Western Pennsylvania and West Virginia, Brother Kaelin is remembered for his leadership and participation in all Foundation activities, and his particular commitment to build and support our Fraternity throughout the Allegheny Region. Brother Kaelin was honored on July 28, 1995 with membership in the Order of the Unicorn, the highest honor that may be conferred upon a member of Theta Xi by the National Fraternity.

In January 2007, the Theta Xi Educational Foundation of Pittsburgh unanimously voted to establish the Elmer D. Kaelin Scholarship to honor this outstanding Friend and Brother from the Allegheny Region. This fund is maintained in the Theta Xi Educational Foundation of Pittsburgh and is made possible by the donations of members and friends of active and dormant Chapters in the Allegheny Region. For further information on how to contribute to this fund to directly support undergraduate students in the Allegheny Region of Theta Xi Fraternity, please contact Brother Ron Shidemantle at shidemantle@rmu.edu.

FOUNDER'S DAY...APRIL 29TH

Theta Xi has a special holiday that is celebrated annually by all chapters and alumni organizations. On Founders Day, members should take extra care to wear their Sacred Badges with azure and white ribbons, and the flag and coat of arms should be prominently displayed.

Since 1865, the founding of the Fraternity has been celebrated each year by special activities, usually taking the form of banquets. Undergraduates and alumni members take the opportunity to unite in reaffirming their devotion to the ideals which make their quests for Theta Xi successful. The Theta Xi Educational Foundation of Pittsburgh, a group that works to serve all Allegheny Regional Colonies & Chapters, welcomes and encourages our Allegheny Regional Brothers to celebrate our Founding with your attendance at this year's 6294 Luncheon Banquet. Please join us on April 2nd in Western Pennsylvania!
